

Adding Estes as a Carrier

Return to Kuebix Partner Licenses (Starter Guide)

Follow these steps to connect your Estes agreement

1. On the Home page, click **Add/Manage Carriers**.
2. Click **+** on the top left to add a new carrier agreement.
3. Select a **Carrier Type**.
4. If you have multiple locations, select the appropriate location. Each location should correspond to a unique Estes account number.
5. In the **Carrier** search box, type “Estes.” Select “Estes Express” when it appears on the drop down.
6. Click the checkbox below the **Critical Instructions** box. The critical instructions provide guidance on obtaining the carrier credentials required to successfully connect a carrier.

Critical Instructions

To connect your Estes Express negotiated rates in Kuebix, you will first need to know your account number. You can find it by logging into your account [here](#). Once logged in, hover over the My Estes dropdown, located in the top right hand corner. Your Account Number is located under your Company Name.

If you have any problems with the above process please contact your local Estes Express account representative for assistance.

6 Please check the box to the left to confirm you have read the web service information for creating a Carrier Rate Connection with Estes Express.

7. Fill in the **Username**, **Password**, and **Account Number**.
PLEASE NOTE: the username for your Estes agreement is **case sensitive**, i.e., it must match the exact letter case of your username in the Estes system.
8. Enter **Y** or **N** to **Enable Auto PRO Assignment**.
9. Click **Test Service**. When the test comes back successful, click **Add Agreement**.
