

# Adding Spot Quote Carriers

Follow these steps to add a Spot Quote carrier to your Kuebix account.

1. Log into Kuebix TMS and click **Manage Carriers**.

2. Click the **+** icon to access the carrier rate connection pop up.

Agreement References			Agreement Details

3. On the carrier rate connection pop up, for **Select Carrier Type**, select **Spot/Volume**.
4. In the **Carrier** field, look up the desired carrier.
5. Once you have selected the desired carrier, enter the e-mail address address for the carrier that should receive the spot quote request.  
Please Note: Entering an account number is optional, but may be beneficial.
6. Click **Add Connection**.
