

# Book Spot Quotes

Booking spot quotes from the Manage Shipments Grid.

Once your carrier responds with a quote, you can access your saved shipment from the **Review Posted** status in the **Manage Shipments Grid**.

1. The **Review Posted** view will show all shipments for which you have requested spot quotes.

The screenshot displays the 'Manage Shipments Grid' interface. At the top, a dropdown menu is set to 'Status: Review Posted', highlighted with a red box and a red callout '1'. Below this is a table with columns: 'A...', 'BOL Number', 'Carrier', 'PRO Number', and 'Client E'. Two rows are visible with BOL numbers 'KBX-17401362-24' and 'KBX-17306734-24'. A red callout '2' points to a dropdown arrow icon in the second row. Below the table is a navigation bar with tabs: 'SHIPMENT', 'ADDRESS', 'STOPS', 'ITEMS', 'ATTACHMENTS', and 'RATES'. The 'RATES' tab is highlighted with a red box and a red callout '3'. Below the navigation bar is a table with columns: 'Actions', 'Name', and 'Carrier'. A red callout '4' points to a dropdown arrow icon in the 'Actions' column of the first row. The table contains four rows of data:
