

# Deactivating/Activating a Carrier Agreement

Follow these steps to deactivate or activate a carrier agreement in your Kuebix account.

1. On the Home page, click the **Manage Carriers Icon** or select **Connected Carriers** from the dropdown list by hovering over **Manage Carriers** in the top menu.

The screenshot displays the Kuebix Freightwise user interface. At the top, the navigation bar includes the Kuebix logo, a search bar, and menu items: Home, Shipping Tools, Analytics, Manage Carriers, and More. The 'Manage Carriers' dropdown menu is open, showing 'Carrier Relationships' and 'Connected Carriers', with 'Connected Carriers' highlighted by a red box. Below the navigation bar, the 'Favorites' section contains six icons: 'Ship It', 'Manage Shipments', 'Compare Rates', 'Get Spot Quotes', 'Book Spot Quotes', and 'Add/Manage Carriers'. The 'Add/Manage Carriers' icon, which depicts a truck and a box, is highlighted with a red rounded rectangle.

2. On the Manage Carriers page, you'll find all of the carrier agreements you have entered. Use the Search fields at the top of each column to help you find the carrier you want to deactivate or reactivate.
