

Ship International with EFW

Our partners at Estes Forwarding Worldwide (EFW) understand that regardless of size, businesses need an international shipping solution at a competitive price with consistent transit time across every border and time zone. That's why EFW does all of this and more! From air carriers to ocean liners to customs checkpoints, EFW's international logistics expertise paired with its global partner network ensures swift, secure travel for every trip.

EFW International Includes:

- End-to-end international services
- International air freight services
- Ocean freight services
- Customs brokerage services
- Border services
- Additional resources like documentation preparation, export declaration/AS process and licenses, consular preparation and more!

Interested in giving it a try? **Click here** to request an international quote! Just make sure you choose "Shipment Quote" as your quote type and select "No" in response to the second question.
